Nº	Error message	Steps to reproduce				
1	Exception bug 1	Open app, click the textarea, enter more than 300 symbols				
2	An Error 2 has occurred	Open app, click the "1" button 10 times				
3	An Error 3 has occurred	Open app, click the "1" button, click the "5" button, click the "9" button (ignore #26 errors)				
4	Exception bug 4	Open app, click the "2" button, click the "8" button				
5	An Error 5 has occurred	Open app, click the textarea, enter any text, click the "7" button, click the "6" button				
6	Exception bug 6	Open app, click the textarea, enter any digit from 1 to 9, click the "6" button 3 times				
7	An Error 7 has occurred	Open app, click the textarea, enter any digit from 1 to 9, click the "5" button, click the "4" button				
8	Exception bug 8	Open app, click the textarea, enter any digit from 1 to 9, click the "3" button 3 times				
9	An Error 9 has occurred	Open app, click the textarea, enter 101+ symbols, click the "8" button, click the "8" button, click the "5" button				
10	Exception bug 10	Open app, click the "5" button 10 times (ignore #26 errors)				
11	Exception bug 11	Open app, click the textarea, enter any text, minimize the window 5 times				
12	Exception bug 12	Open app, click the textarea, enter any text, minimize the window 3 times				
13	An Error 13 has occurred	Open app, click the textarea, enter any digit from 1 to 9, minimize the window				
14	An Error 14 has occurred	Open app, click the textarea, enter any text that starts with digit from 1 to 9, close window				
15	An Error 15 has occurred	Open app, click the textarea, enter any text containing at least 50 of symbols, close window				
16	Exception bug 16	Open app, click the "8" button, click the "4" button, click the "9" button				
17						
18	Exception bug 18	Open app, click the textarea, enter any text containing the "@" symbol, click the "3" button				
19	An Error 19 has occurred	Open app, click the textarea, enter any text containing at least 6 of "." symbols				
20	Exception bug 20	Open app, click the textarea, enter any text containing the "ь" symbol				
21	An Error 21 has occurred	Open app, click the textarea, enter any text containing the "[" and "]" symbols				
22	An Error 22 has occurred	Open app, click the textarea, enter any text containing the "(" and ")" symbols, click the "7" button				
23	An Error 23 has occurred	Open app, click the textarea, enter any text containing at least 5 of " symbols				
24	Exception bug 24	Open app, click the textarea, enter any text containing the "ъ" symbol				
25	An Error 25 has occurred	Open app, click the textarea, enter any text containing at least 10 of "/" symbols, click any button				
26	Exception bug 26	Open app, click the "5" button (no text entered)				
27	An Error 27 has occurred	Open app, click the "2" button, click the "3" button				
28	Exception bug 28	Open app, click the "4" button, click the "6" button				
29	An Error 29 has occurred	Open app, click the "9" button 10 times				
30						
31	An Error 31 has occurred	Open app, click the "6" button, click the "4" button				
32	Exception bug 32	Open app, click the "3" button, click the "9" button				

33 An Error 33 has occurred Open app, click the textarea, enter any text containing at least 151 of symbols and digits from 1 to 9 34 An Error 35 has occurred Open app, click the textarea, enter any text containing at least 20 of letters Open app, click the textarea, enter any text containing at least 100 ff "S" symbols, click any button Open app, click the textarea, enter any text containing at least 100 ff "S" symbols, click the "1" button, click the "4" button Open app, click the textarea, enter any text containing at least 100 ff "S" symbols, click the "1" button, click the "4" button Open app, click the textarea, enter any text containing at least 100 ff "S" symbols, click the "2" button Open app, click the textarea, enter any text containing at least 20 of "A" symbols, click the "2" button Open app, click the textarea, enter any text containing at least 20 of "A" symbols, click the "2" button Open app, click the textarea, enter any text containing at least 20 of "A" symbols, click the "2" button Open app, click the textarea, enter any text containing at least 20 of "A" symbols, click the "1" button Open app, click the textarea, enter any text containing at least 20 of "A" symbols, click the "1" button Open app, click the textarea, enter any text containing at least 20 of "A" symbols, click the "1" button Open app, click the textarea, enter any text containing at least 10 of "1" symbols Open app, click the textarea, enter any text containing at least 10 of "1" symbols, click the "1" button Open app, click the textarea, enter any text containing at least 10 of "1" symbols, click the "5" button Open app, click the textarea, enter any text containing at least 10 of symbols, click the "8" button Open app, click the textarea, enter any text containing at least 10 of symbols, click the "5" button Open app, click the textarea, enter any text containing at least 10 of symbols, click the "5" button Open app, click the textarea, enter any text containing at least 10 of "9" symbols, click the "5" button Open app, cli	22 An Error 22 has assumed	Open annuclials the textures, enter any text containing at least 151 of assemble and digits from 1 to 0
An Error 35 has occurred Open app, click the textarea, enter any text containing the "(" and ")" symbols Open app, click the textarea, enter any text containing at least 10 of "5" symbols, click any button Open app, click the textarea, enter any text containing at least 10 of "5" symbols, click the "1" button, click the "4" button Open app, click the textarea, enter any text containing at least 20 of "#" symbols, click the "2" button Open app, click the textarea, enter any text containing at least 20 of "#" symbols, click the "2" button Open app, click the textarea, enter any text containing at least 20 of "#" symbols, click the "2" button Open app, click the textarea, enter any text containing at least 20 of "#" symbols, click the "2" button Open app, click the textarea, enter any text containing at least 50 of "8" symbols, click the "1" button Open app, click the textarea, enter any text containing at least 20 of "1" symbols, click the "1" button Open app, click the textarea, enter any text containing at least 10 of "1" symbols, click the "1" button Open app, click the textarea, enter any text containing at least 10 of "1" symbols, click the "1" button Open app, click the textarea, enter any text containing at least 10 of "1" symbols, close window Open app, click the textarea, enter any text containing at least 10 of symbols, click the "8" button Open app, click the textarea, enter any text containing at least 10 of symbols, click the "8" button Open app, click the textarea, enter any text containing at least 10 of symbols, click the "8" button Open app, click the textarea, enter any text containing at least 10 of symbols, click the "5" button Open app, click the textarea, enter any text containing at least 10 of symbols, click the "5" button Open app, click the textarea, enter any text containing at least 20 of "8" symbols, click the "5" button Open app, click the textarea, enter any text containing at least 20 of "8" symbols, click the "1" button Open app, click the textarea, enter any text containing at le
